

	A	B	C	D	E	F	G	H	I	J
1	Procedural APCs with the CY 2012 portions of the APC payment amounts uniquely associated with the cost of devices and two types of non- passthrough drugs: "threshold packaged" drugs that are packaged under the packaging threshold and "policy packaged" drugs that are always packaged. These portions will be used as the APC offset amounts to evaluate whether the cost of a device or type of drug in an application for pass-through payment is not insignificant in relation to the APC payment amount for the service related to the device or type of drug.			Portion of APC Payment Associated with Devices, Including Implantable Biologicals		Portion of APC Payment Associated with "Threshold Packaged" Drugs (Drugs that May Be Packaged under the Packaging Threshold)		Portion of APC Payment Associated with "Policy Packaged" Drugs (Drugs that Are Always Packaged, <i>i.e.</i> Diagnostic Radiopharmaceuticals and Contrast Agents)
